MINORITY CELL Academic Year 2023-24

Minority Cell is constituted for the purpose of empowering the students belonging to minority communities studying in the institution.

The institution upholds the right of each student to education. The institution is keen on serving the educational and cultural needs of the students of minority communities along with the students belonging to varied caste, creed and religions. Minority Cell basically aims at facilitating the minority students to Excel In Academics And Personality Development.

Objectives:

1. To enhance equal opportunities for education of minorities.
2. To create awareness among the minority students regarding various scholarship facilities by the state government and UGC.
3. To facilitate financial support to students from minority communities, government agencies and other sources.
4. To ensure provision for creating a safe and secure environment for the students.
5. To encourage enrolment for career orientation programs which would in turn empower and equip them with the necessary skills to choose suitable career options.
6. To ensure protection and reservation as provided in the Constitution of India.
7. To provide prompt counseling for any emotional emergencies arising on account of any event at the campus.

Nature of Activities of the Cell:

1. Collection of reports and information of State Government and UGC orders on various aspects of education, employment of minority students.
2. Circulate State Government and UGC's decisions about different scholarship programs.
3. Communicate with the students and motivate them for better future planning.
4. The Cell is committed to provide assistance to the minority students through counseling, personality development, development of communication skill and preparatory classes for professional and employment purposes etc.
5. The Cell is actively engaged in coordinating and resolving the problems in the matter of conduct of coaching and other measures with a view to see that the education system succeeds in bringing to a level quantitatively as well as qualitatively indistinguishable from the level of the rest of the society.

Minority Cell Committee Report (2023-24)

The smooth working of Minority Cell has been achieved through time to time meetings and follows up by the management and committee chairman. In the academic year 2023-24 GITAMW minority students enrolled under the minority scheme. Minority cell helped students to obtain financial support from minority communities from governmental agencies. These Minority Students were provided with equal opportunities for education of minorities. The institute motivates deprived students to appear in competitive exams.

The basic objective of the coaching scheme is to help students and orient them to participate in competitive Examination. By considering the need of English Communication in the world, the cell has been arranged a special lecture on 'Spoken English Skills' with a view to improve academic skills in English language.
