### Action Taken Report on Curriculum Report for A.Y 2018-19

On taking the approval from the Governing body the College Academic committee of GITAMW has determined to follow the below mentioned action plan to improve in the suggested areas.

The feedback has been collected from stakeholders and prepared action plan. The possible Insights are implemented in accordance with JNTUA curriculum.

#### Students Feedback on Curriculum (2018-19)

The feedback on curriculum from students were obtained after the end of each academic session. Students opinion on syllabus were measured in a five-point scale (0-poor, 1-average, 2-Good, 3-Very Good, 4-Excellent). For analysis, a random sample of feedback of 116 students from all the Departments were selected with a proportional representation to each program. The data collected has been analysed and the results given below.

### Analysis of the feedback

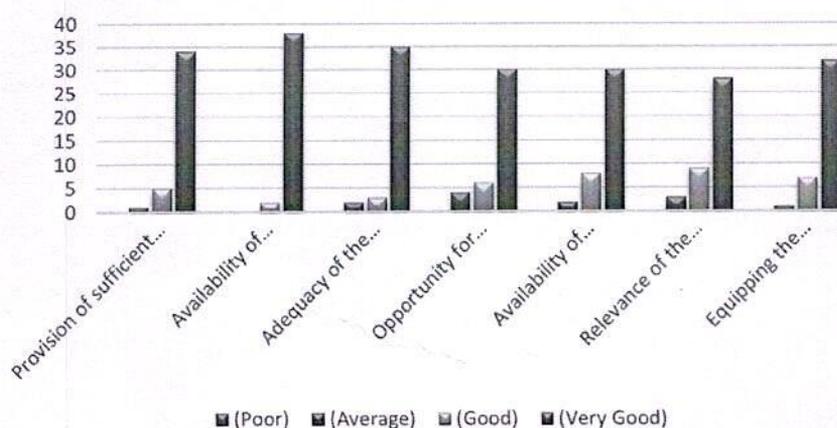

Analysis of the feedback shows that all the domains have been rated by the students to be excellent. The qualitative domain suggested that the students wanted more seminars and workshops to be arranged. They also wanted some short term courses. They also wanted classes specific for competitive exams and GATE. They also wanted hand on experience about how to handle interviews. They also demanded training and placement cell for various job opportunities. The students also asked for more internship programs.

### Parent's Feedback on Curriculum(2018-19)

#### Analysis of the feedback

A graphical representation of feedback collected from parents for the year 2018-19. The feedback of the parents has improved from the beginning years as they rated the domains to be excellent. Parents suggested that in addition to the prescribed syllabus industrial visit, there is a growing need for the introduction of a training program or value-added course to improve the employability skills of students.

### Teacher's Feedback on Curriculum(2018-19)

Feedback from the teachers were collected and analyzed and has been represented graphically. The teacher's opinion curriculum were expressed in the feedback and that has been found to be excellent in every domain. The teachers of the GITAMW conducted workshops and had discussions with experts of their own discipline for improvement of the curriculum on aregular basis. They were also of the opinion to start some value added courses.

### Action taken

The GITAMW CAC informed about the feedback. Necessary actions were initiated to start a training and placement cell. IQAC submitted the feedback report to Faculty council and council had asked all the departments to start value added courses in their programs to improve employability skills of students. As per the recommendation, various value- added courses were offered. All the departments were instructed to plan some value added courses in their respective program. The different suggestions regarding curriculum from different stakeholders were brought into the notice of GITAMW through proper channel.

### Alumni feedback analysis

GITAMW incorporates alumni feedback to improve the quality of academic programs especially for design and review of syllabus. Feedback was obtained from alumni. The alumni rated all parameters: Provision of sufficient choices for the students in selecting courses, Availability of Opportunity for developing skills, Availability of instructional hours, Easy availability of study materials, Relevance of the course for providing employability, Worth of syllabus in catering to the needs of industry/society, Equipping the students for higher studies, Alumni feel proud to be the

student of GITAMW. Alumni were appreciated the introduction of CBCS as according to them that has increased the scope of interdisciplinary discussion. They were also all praise for the digitalization of the library services and examination process. The pass out students were well impressed with the developments in the GITAMW in recent years. The alumni have also appreciated the cooperativeness of faculty members. The alumni unanimously wanted a formal central/departmental alumni association to be formed. A similar percentage of alumni opined that department administration should take initiative to efficiently enroll and strengthen the alumni-association. The learning received in the GITAMW was found useful by alumni in their career. Similar to current students, alumni were also acknowledged the excellent knowledge of faculty members. The fee structure was rated as very nominal.

The alumni members also requested if some short term certificate or skill development courses may be started out of the working hours so that they can also get benefitted from the course.

### Employers' feedback on the curriculum

It was found that all the employers rated the parameters as either very good or excellent. According to the employers The GITAMW students were very good in their relationship with seniors/peers/subordinates. They also praised their technical knowledge/skill. Employers highly appreciated their ability to take up extra responsibility. Other promising features that were pointed out by the employers were general communication skill, ability to contribute to the goal of the organization, obligation to work beyond schedule if required, working as part of a team, self-motivated and taking on appropriate level of responsibility, and open to new ideas and learning new techniques. Overall the employers were very much willing to recruit our students in their esteemed organizations and were also willing to collaborate with the GITAMW.

### Action Taken Report On Curriculum Feedback for A.Y 2019-20

Feedback on curriculum was collected from all the stakeholders and was analyzed by IQAC of GITAMW. The feedback was consolidated and report submitted to the Principal. The same was discussed in the CAC and an action plan was prepared.

The following are the actions taken based on the recommendations of College Academic Committee.

S.No.	Stakeholder	Feedback	Action Taken
1	Students	Students requested to provide more practical oriented and interactive sessions during teaching learning process.	The principal has instructed all Head Of the Departments to conduct more projects based learning sessions and workshops for hands on sessions.
2	Teachers	The orientation of syllabus should be enriched with more case studies.	Principal has instructed all the faculty members to adapt case study approach in teaching learning process.
3	Alumni	The Alumni opined that domain based specific training should be a part of curriculum. Industrial training should be made as mandatory for the students.	Principal has instructed the Head of the Departments to identify Department specific domains and impart the training on the same. Principal has instructed the TPO to encourage and assist the students to undergo industrial training.
4	Parents	Parents advised that, the students shall be groomed towards achieving their goals.	Principal asked the HOD's to prepare a well designed programme to enable and empower the newly admitted students in accomplishing of his/her goals.
5	Employers	Employers suggested that apart from the regular academic curriculum, students should be exposed to more latest technological trends.	Principal instructed all the head of the departments to organize industrial visits and other industry institute interaction activities.

## Action Taken Report on Curriculum Feedback for A.Y 2020-21

Considering the feasibility of upgrading the curriculum, feedback survey among the major stake holders like Students, Teachers, Alumni and Employers was conducted online via Google Forms. The feedback received were analyzed by the members of IQAC of GITAMW and necessary actions were suggested, on the basis of which actions were formulated. The same was discussed in the CAC and an action plan was prepared.

The following are the actions taken based on the recommendations of College Academic Committee.

S.No.	Stakeholder	Feedback	Action Taken
1	Students	Need for skill-oriented courses and advance learning modules.	Certificate courses, new Value-added courses, and skill-Based activities were introduced
		Need for job-oriented courses, training for facing interviews and Career guidance by experts.	New job oriented languages were introduced; Training interview skills were organized by placement cell.
		Need for understanding of Open Educational Resources for advance learning.	Membership of IETE, CSI and IEEE was provided to students.
2	Teachers	Need for more smart classrooms.	Three new smart classrooms were set.
		Research quality may be supported by conducting more workshops.	National and State level Workshop are consistently planned for students.
3	Alumni	Need for regular industrial visits, study tours and extension activities suiting the current trends.	Regular industrial visits, study tours and extension activities were conducted.
		Alumni members may be involved in curriculum development.	Alumni members are involved and their suggestions have been considered in introducing add-on programs. Prestigious alumni were also invited to give motivational endowment lectures.
4	Parents	Need for well-equipped laboratory facilities and hands on	New advanced equipment, addition in number of equipment and hands on

## Action Taken Report on Curriculum Report for A.Y 2022-23

On taking the approval from the Governing body the College Academic committee of GITAMW has determined to follow the below mentioned action plan to improve in the suggested areas.

The feedback has been collected from stakeholders and prepared action plan. The possible Insights are implemented in accordance with JNTUA curriculum.

S.No.	Stakeholder	Feedback	Action Taken
1	Students	Students requested to conduct Technical Symposiums regularly	The Principal has directed to respective Head of the departments to make the necessary arrangements to <u>conduct Technical Symposiums in each semester</u> The faculty is instructed to conduct class test after completion of every unit. They are also suggested to monitor the students'. Performance in every test and take needful measures.
		Students requested to conduct slip tests, Grand Tests every fort night, end of the semester to do well in Internal and External examinations	
2	Teachers	Faculty opinion is to increase the number of Internships and field visits	To strengthen the practical knowledge of the students and expose themselves to Industry environment, the head of departments are instructed to conduct more number of Internships and field visits.
		Faculty requested to include seminar hour in the Time-Table to enhance the preparation skills among the students	Though the Interactive sessions are conducted as regular practice in the respective classrooms as per the request of the faculty, all the Head of the departments are instructed to include a Seminar hour in the department Time-Tables.
3	Alumni	The Alumni requested to conduct alumni meets at least twice in a year	In order to have more inter action of present students with the alumni, the alumni committee was informed to conduct their alumni meets twice in a year. Further they are invited to render their services in the form of Guest lectures. Invited talks, career counseling etc.
		Alumni suggested to conduct few Internship programmes in summer vacation so that they can extend their services to the utmost.	The Alumni Committee is instructed to maintain the student's data base and conduct the summer Internships accordingly.
4	Parents	Parents requested to provide special sessions on Interview skills.	Principal directed the Training and Placement Committee to organize <u>more number of mock Interview sessions</u> by Industry

Respected Sir,

**Sub:-**Request to incorporate new skill enhancement Courses in JNTUA curriculum for the coming academic year or in the new regulations, to provide more employment opportunities and latest technological trends for students – Reg.

We collected feedback on curriculum from Different stakeholders like Teachers, Students, Employer and Alumni for the academic year 2021-22, to take necessary action to improve the curriculum from all the aspects to meet the industry requirement.

As Gouthami Institute of Technology And Management for Women is affiliated to JNTUA would like to bring to your kind notice to include the subject in the curriculum of academic year based on the feasibility.

We feel Happy to submit the following information to strengthen the curriculum and syllabus to meet industry requirements.

1. Python Programming for EEE & ECE students
2. IoT & AI& ML Applications in Electrical Engineering
3. PCB Design
4. Full Stack Front End and Back end Development

These technologies and new subjects would certainly help majority of the Engineering Graduates to enhance their Knowledge and Skills. We Hope you will consider our Request and take initiative to introduce the above mentioned courses in JNTUA curriculum as deemed it.

Thanking you
