Sai Nagar, Peddasettypalli (Vi.),  
PRODDATUR - 516 361. Kadapa (Dist.) A.P.

Sub: Acceptance and Granting of Research Project- reg.

Sir/Madam,

With reference to your interest and MOM held between us on 14-01-2022, we are pleased to accept and grant the project for its development in your esteemed organization as per details given below:

1	Title of the Project	An Internet of Things (IoT) Enabled Device Designed for Aquaculture Practices
2	Name of the Principal Investigator	Dr. M. Rama Subbamma
3	Name of the Principal Co-Investigator	Mr. Y. Prakash Rao
4	Department	ECE
5	Duration of the Project	2 years
6	Amount	Rs: 2,15,000/-
7	Year of Granting the Project	2021-2023

The general instructions to be followed:

**ADDRESS**

Sub: Consultancy of R & D work

Dear Sir/Madam,

HackBoats deals with design and erection of transformers, substations, and Switch gear equipment in Power distributions field in Telangana and Andhra Pradesh Regions, as per the specification mentioned by Concerned Electricity Authority/Board. The design of substation equipment should match with equipment ratings. Our company plays a major role in power distribution equipment supplies and services. Therefore, the company is interested for long lasting technical collaborations, with organizations and institutions for generating awareness and promoting technologies, through R & D and/or consultancy.

In this process, we need the assistance from your faculty experts for our industry in the form of consultancy work. Please extend your Technical Expertise accordingly.

Waiting for your reply.

Managing Director

Sub: R & D Consultancy work

Gouthami Institute of Technology and Management for Women, established in the year 2009. The Institute is affiliated to JNTUA and Approved by AICTE. The college constitutes of Three engineering departments ECE, EEE, CSE. Gouthami Institute of Technology and Management for Women has expertise in various research areas of interest to meet the industry requirement. The institute, through departmental research groups, encourages the faculty to undertake R&D and consultancy work. The faculty contributes towards the industrial growth, strengthen institute-industry interaction, and enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry to undertake R&D and consultancy projects with specific problems. Broadly, the following types of consultancy services are being offered by engineering departments of the college.

- Analytical studies
- Cause-and -remedy studies
- Design of systems/components/processes
- Development of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Testing of industrial products/samples/ Proto types
- Validation of designs/drawings
- Consultancy work of R & D Requirements.

## Information to clients:

Anybody from Industry/ External Agency can contact the Institute to solve problems related to Computer Science and Engineering, technology, and science. The ECE faculty can handle such external requests of the industry/ agency that can come under the term consultancy work.

We are pleased to inform you for selecting us for consultancy work and we are ready to accept your request subject to the approval by our institute management. We request you to visit our campus for further discussions.

Thanking you.

Dear Sir/Madam,

Sub: Project Acceptance and Sanction Order

Dear Dr. M. Rama Subbamma and G.PRASANNA,

We are thrilled to inform you that your project, " Seamless Task Management: Real-Time Office Automation using NLP" has been selected to receive a grant of Rs. 1,95,000. The grant period for your project will be held for 2 years.

Your team, representing the Computer Science Engineering Department Gouthami Institute of Technology and Management for Women, has displayed exceptional promise and innovation in proposing this project. We believe that your efforts will contribute significantly to the development and sustainability of smart cities.

Throughout the project implementation, we are committed to providing continuous support and assistance to ensure its success. Our aim is to foster an environment that enables your team to achieve its goals and make a positive impact on the community.

We congratulate you once again on this well-deserved grant. We have great confidence in your abilities and look forward to witnessing the progress and outcomes of your work.

Thanking You

Gouthami Institute of Technology and Management for Women, established in the year 2009. The Institute is affiliated to JNTUA and Approved by AICTE. The college constitutes of Three engineering departments CSE,EEE,ECE.Gouthami Institute of Technology and Management for Women has expertise in various research areas of interest to meet the industry requirement. The institute, through departmental research groups, encourages the faculty to undertake R&D and consultancy work. The faculty contributes towards the industrial growth, strengthen institute-industry interaction, and enrich their professional experience. The Research and Development wing acts as a liaison between the institute and industry to undertake R&D and consultancy projects with specific problems. Broadly, the following types of consultancy services are being offered by engineering departments of the college.

- Analytical studies
- Cause-and -remedy studies
- Design of systems/components/processes
- Development of industrial products/systems
- Development of systems software/application software for offline/online applications.
- Testing of industrial products/samples/ Proto types
- Validation of designs/drawings
- Consultancy work of R & D Requirements.

## Information to clients:

Anybody from Industry/ External Agency can contact the Institute to solve problems related to Computer Science and Engineering, technology, and science. The CSE faculty can handle such external requests of the industry/ agency that can come under the term consultancy work.

We are pleased to inform you for selecting us for consultancy work and we are ready to accept your request subject to the approval by our institute management. We request you to visit our campus for further discussions.

Thanking you.

## MEMORANDUM OF UNDERSTANDING

**BETWEEN 1. Gouthami Institute of Technology and Management for Women**  
Sai Nagar, Peddasettypalli (Vi.) PRODDATUR - 516 361. Kadapa (Dist.) A.P.  
(Representation by Principal) .....Party 1  
**AND**

**2. M/s HackBoats**  
(Representation by Managing Director) .....Party 2

This MOU is executed between **Gouthami Institute of Technology and Management for Women**, Sai Nagar, Peddasettypalli (Vi.) PRODDATUR - 516 361. Kadapa (Dist.) A.P., here onwards referred as **party-1**, and **M/s HackBoats, HYD**, here onwards referred as **party-2** with a primary objective of R & D Work for mutual cooperation and benefit for achieving a harmonious blend from both sides. Both parties agreed to work together to achieve the objectives:

1. that Party-1 agrees to assist Expertise on Development and consultancy work for party-2 in the development work of Industrial Products.
2. that the Party-2 with furnish brief requirements of the energy meter like current and voltage ratings, duty cycle of energy meter etc., to the party before commencement of Project work.
3. that the decision of the college management/principal is final in any aspects for cancelling the consultancy work, replacement of the existing team members by the new members, monetary issues, etc.
4. that the mode of payment of the amount agreed upon in MOU, shall be in the form of CASH/CHEQUE/DD.
5. That the agreement is valid for a period of 3 years as mentioned in the minutes of the meeting enclosed; this comes into effect from the date of signing of this MOU and may be renewed after that period if agreed by both parties. The MOU cannot be withdrawn in the middle of the course, by both parties. However, either party may withdraw from the agreement by giving a written notice of three months in advance, subject to fulfillment of prior obligations otherwise surviving.

## MARAMANISHI

9. **Consultant Does Not Bind Rexam.** Consultant is not authorized (1) to speak for, represent or bind Company in any dealings with any third party, (2) to accept oral or written disclosures that would create an obligation of confidentiality for Company.

10. **Inventions.** All written materials, software code and other works which may be subject to copyright or other intellectual property protection and all patentable and unpatentable inventions, discoveries, and ideas which are made, conceived or written by Consultant during the term of this Agreement, and for 90 days thereafter and which are based upon the services performed by Consultant under this Agreement ("Developments") shall be COMPANY property. Consultant agrees to hold all Developments confidential in accordance with the terms hereunder.

11. **Assignment of Developments.** Consultant will promptly disclose to Company in writing all such Developments described in paragraph 10. Consultant hereby assigns to Company all of Consultant's right, title and interest in such Developments. Additionally, Consultant agrees, at Company's expense, to review and to execute all documents that Company shall believe advisable to prosecute applications in any and all countries and to vest title in such Developments in Company. Consultant's obligations under this paragraph will extend beyond the termination date of this Agreement and shall be binding upon Consultant's assigns, executors, administrators and other legal representatives.

12. **Consultant Assignment of Rights.** Consultant shall not assign any of his rights, including the right to receive payment, under this Agreement to any third party without the written consent of Company.

## Memorandum of Understanding (MOU)

This MOU is between **Gouthami Institute of Technology and Management for Women**, Sai Nagar, Peddasettyapalli (Vi.) PRODDATUR - 516 361. Kadapa (Dist.) A.P., here onwards referred as party-1, and M/s Nexaway Technologies - Hyderabad, here onwards referred as party-2 with a primary objective of "Institute-Industry- Interface" for mutual cooperation and benefit for achieving a harmonious blend from both sides.

- **Validity:** This MOU is valid for a period of three years from the date of signing, with the possibility of renewal upon mutual agreement and incorporating any necessary modifications. It is important to note that the MOU cannot be terminated midway through an ongoing project. However, either party may withdraw from the agreement by providing a written notice of three months in advance, subject to fulfilling prior obligations that continue to be in effect.
- **Scope of Work:** Party-1 agrees to provide consultancy services to Party-2 in the specific areas discussed and agreed upon during the meeting between their representatives. The financials, terms, and conditions outlined in the meeting minutes shall be followed to ensure complete fulfilment of the agreement.
- **Non-Disclosure:** Unless required by law or necessary for fulfilling obligations under this MOU, neither party shall disclose, directly or indirectly, any information obtained about the other party's affairs during the collaboration. All such information shall be kept strictly confidential, and both parties shall ensure that their respective officers, employees, representatives, and agents maintain confidentiality. Any materials utilized by Party-1, including rough work, shall be handed over to Party-2 upon completion of the work.
- **Force Majeure:** Neither party shall be held liable for non-performance, either in whole or in part, of this MOU due to unforeseen circumstances beyond their control. These circumstances may include strikes, lockouts, nationalization, acts of God, war, or fire. In such an event, the notifying party shall promptly inform the other party in writing, providing full details of the situation. Both parties shall make reasonable efforts to find mutually satisfactory solutions to overcome the difficulties arising from these circumstances.
- **Arbitration:** Any disputes arising from this agreement shall be resolved through mutual consultations between both parties. In the event a settlement cannot be reached, the dispute(s) shall be subject to the provisions of the Arbitration & Conciliation Act, 1996. The arbitration proceedings shall take place in Hyderabad as the designated venue.
